About Maud S. and the High Wheel Sulky Record.

Bred at Woodburn Farm, Kentucky. Foaled March 28, 1874. Sired by Harold, dam Miss Russell, by Pilot, Jr.

At three years of age she was handled 60 days and trotted a half mile in 1:13.

At four years in October, she trotted a mile over Chester Park, Cincinnati, half mile track, in 2:23, and a few days later over a mile track in 2:17.

At five years, she was the property of Wm. H. Vanderbilt, New York, and trained by Carl S. Burr, Comac, L. I. Later returned to Cincinnati and fitted by W. W. Blair for campaigns.

At six years she started at Chicago, July 24, in match race against Tricket, and distanced her in 2:13. This was then the record for a heat in a race against other horses.

At Buffalo, Aug. 4, she was driven to lose one heat, it being the only heat she ever lost. She won the fourth heat in 2:16, which was the record for a fourth heat.

At Rochester the following week she trotted her first exhibition mile against time and took a record of 2:11.

At Chicago she closed the season in an exhibition mile against time and lowered her record to 2:10.

The campaign of 1881, in her seven-year-old form, opened at Pittsburg July 13, to beat 2:10, and she won, putting the record at 2:10.

At Chicago, July 23, she trotted two heats in 2:11 and 2:11, which was the fastest two consecutive heats on record.

At Philadelphia July 28, she trotted three heats in 2:12, 2:13 and 2:12, which was the fastest three consecutive heats on record.

At Rochester, Aug. 11, to beat 2:10, she won, reducing her record to 2:10. During 1882 and 1883 Maud S. was used by her owner Wm. H. Vanderbilt, for road driving.

At Fleetwood Park, June 15, 1883, to the pole with Aldine, 2:19, driven by the owner to a road wagon weighing 211 pounds, the pair trotted a mile in 2:16.

At that time the world's record to a pole was 2:16, made by Edward and Dick Swiviler, driven by a professional.

In 1884 Maud S. was the property of Robert Bonner, and she was again placed in training with W. W. Blair.

At Providence, Aug. 1, Jay Eye See trotted in 2:10 and headed the world's 2:10 trotting list.

On the following day at Cleveland, Maud S. trotted a mile in 2:09, and once more was queen of the trotters.

Later in the season, at Lexington, she trotted in 2:09, which closed her campaign for the year.

At Cleveland, July 28, 1885, she was started to beat 2:09, and won, trotting the mile in 2:08.

This record was reduced last week by Lou Dillon, who trotted a mile in 2:05.

A. A. Wayne, one of the leading cattle raisers in the Perryville section, discovered a number of his exporters in a dying condition in a field from which tobacco had recently been cut.

They were examined by a veterinarian and it was found that they had eaten a large quantity of tobacco which had been sprinkled with Paris green solution to destroy the worms. The cattle were valued at \$75 each. Seven or eight other farmers have lost cattle in a very mysterious manner during the past month and it is probable that Paris green has been the cause of all losses, as a great deal of tobacco is raised in the surrounding country.

Gained 40 Pounds in 30 Days.

For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of 30 days he had gained 40 pounds in flesh. He is now fully recovered. We have a good trade on the Tablets.—HOLLY BROS., Merchants, Long Branch, Mo. For sale by W. N. Craig.

The most crowded spot on the globe at certain hours of the day is the neighborhood of the City Hall Park in New York. The Brooklyn bridge ends there, as one of the elevated roads; the subway now in construction, other projected subways and many lines of street cars.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. THE GOVERNOR'S FIGURES CORRECT.

Referring to the charge of the Louisville Post, that Gov. Beckham falsifies the record when he says that the penitentiaries are self-supporting, the Glasgow Times hands that paper and its editor this hot one. The statement is:

"The Louisville Post is a publication which keeps the standing announcement at the head of its editorial column, and advises the public in every issue to vote for Belknap—a paper that is as utterly without principle as it is without price—for the reason that nobody is debased enough, or idiot enough, to buy it. It is a waste of labor to shave an ass, and it is a foolish blowing of breath to speak of a common and notorious liar, but it is not traveling away from the line of truth to say that the Louisville Post has, age considered, been indicted more times, and sued more times for the crime of criminal libel, than any publication that ever existed in Kentucky. This can only mean that it is not merely a liar, but a malicious liar—a liar with no regard for its own reputation, or for the good name of others. By abject apologies, by eating its own words, by acknowledging that it was a defamer and dirty falsifier, this scoundrelly publication has managed, by hook and by crook, to pretty well escape the just consequences of its villainous acts. Notably is this true in the case of the editor of the Glasgow Times, whom the Post accused, in his official capacity as prison commissioner, of 'grafting' in the penitentiary meat contracts. The Post and its editor, Mr. R. W. Knott, were promptly indicted and sued in the Barren circuit court for criminal libel. Thereupon, to make a long story short, the Post tardily retracted its libelous matter, paid all expenses and costs of every nature—including lawyer's fees on both sides—and in a published statement, at the head of its editorial columns, admitted the falsity of its own publication. To save him from the uttermost depths of humiliation, the editor of the Glasgow Times was begged not to 'crow over' the infamous hound who edited the Post, and this is the first time the matter has ever been mentioned in these columns since its settlement. This is the same base, brazen and lying sheet, edited by the same base, brazen and lying R. W. Knott, that is again attacking the truth of the prison commission. It is only necessary to say that this detestable pair of blackeners of character are simply now doing what they have done in the past—lying. The figures given by Governor Beckham, and the statements made by him, are absolutely correct.

At Chicago she closed the season in an exhibition mile against time and lowered her record to 2:10.

The largest sale that was ever held in this part of the State was that of Mr. Ike Dunn, of Bryantville, last Friday. The crowd was estimated at 2,000, and drew its numbers not only from the adjoining counties, but from more distant parts of the State. This was because of the reputation Mr. Dunn has made for his cattle and horses. Good prices on things generally. The Pole Angus cows and calves sold low but other cattle brought good prices. Horses were the chief items of sale. Several brood mares and colts brought excellent prices. "Ella C," the dam of the famous, "Gypsy Queen" who was sold a few years ago by Mr. Dunn for \$1,200, and has since changed hands for the fancy price of \$5,000, was sold to Col. Daniel L. Moore, at the age of 16, for \$345. Among others that were sold were "Lady Lawson," for \$500 and a suckling colt for \$300, a three year-old to McRoberts & Burnside for \$200. Mr. Dunn recently sold privately a yearling stallion, a full brother to the two last mentioned, all by "Chester Dare," for \$1,000. Corn in the field brought \$2.25, hay in the bale 67c, one stack of oats, the yield of 15 acres, brought \$145. The full amount of sales was about \$12,000.

The most important action taken was concerning the location of the college for young ladies. The committee appointed to act with a committee from the Southern church, made its report favoring Danville as the place the school should be located.

To The Voters of Lincoln County:

I find that a report is norated that I would, if elected Representative of Lincoln County, oppose what is known as the "Chinn Book Bill." I desire to say that I am in favor of that or a similar bill, which compels the public schools in the State to use the same kind of book for five years or longer without change, thereby saving its patrons a vast sum of money every year who now have to buy new text books; or any bill that will give to the people of Kentucky a cheap, uniform system of school books. I am opposed to what is known as the "Book Trust."

MORE than 5,000 people heard Gov. Beckham, Congressman Ollie James and others speak at Princeton Saturday. The feature of the occasion was the denial by the Governor of charges made by the republican candidate, Speight, that Gov. Beckham agreed to pardon Sam Clark for a campaign contribution of \$800. A letter was read from S. A. Norman denying that he had ever said anything to Speight about the matter. Speight, in making the charge, had said that he could prove it by Mr. Norman. The Governor denounced Speight in severe terms.

THE Lexington Democrat has leased for a term of years the well known Navarre building on East Main street, a few doors West of the postoffice, and will shortly remove to it. The step was rendered necessary by increased business, which demands better and larger quarters. A perfecting press will be installed and other improvements will be made with the hope of making better that already excellent and popular democratic paper.

ONLY two weeks from to day until the election and if you have not made up your mind as to how you are going to vote, it is high time you were doing so. Certainly no democrat is going to scratch the splendid ticket which appears elsewhere. There is no reason for his doing so, for not in years have democrats had better men to vote for. Stamp under the rooster and if there's any scratching to be done let the game bird do it.

THE republicans of the bloody eleventh will have two republicans to vote for for Congress on Nov. 10 unless the State Central Committee or the courts settle the matter. The convention at Middlesboro broke up in a rumus and the Edwards followers left the hall and met at London yesterday and nominated D. C. Edwards. The Hunter faction remained and named the Gum Shoe statesman.

THE Lexington Democrat thinks the acquittal of Lt. Gov. Tillman, of South Carolina, for the murder of Editor Gonzales, is as mean a miscarriage of justice as the sentencing of Jim Howard for life, for killing Gov. Goebel.

One of the largest democratic rallies held in Louisville for several years will be held to-night at Music Hall. Alex. P. Humphrey, J. T. O'Neal and Congressman Swager Sherley will be among the speakers.

MIDDLEBURG.

Pastures have been greatly revived by recent rains.

Corn cutting and sorghum making is the order of the day with most farmers. The Casey democracy is in excellent fighting trim and determined. It is thought the full party strength will be polled.

Rev. Joshua Taylor is having some much needed improvements made on the old Riffe property which greatly lends to the beauty of the surroundings.

E. E. Kelsey has a little daughter who is very ill with typhoid fever. Miss Corda Hubble and the other sick in this immediate vicinity are convalescing.

Mrs. Julia Miller, of Southern Indiana, is the guest of her brother, Dr. I. C. Dye. Miss Ama Adams has a nice supply of winter hats which the elite of the fair sex would do well to examine before going elsewhere.

The protracted meeting continues at the Baptist church with unabated interest. Lasting good has already been accomplished, though as yet there have been no open converts. Rev. Baker is a most forceful speaker and that his efforts will bear fruit is already apparent.

Mrs. Emma Toms, the estimable young wife of George Toms, died Thursday morning after a long and lingering illness of that dread disease—consumption. She was about 22 years of age and a christian lady. Interment took place Friday in the old Moore burying ground.

While drilling for water in the yard of W. G. Short, at this place, L. T. Smith, of Rowland, struck a strong flow of gas at a depth of only 19 feet. The same rock formations and deposits encountered in the Jones well. A second well was drilled for Short when gas was again encountered at a depth of about 22 feet. Mr. Smith is now banging away on the third hole with strong hopes of missing gas.

As forecasted in our last correspondence, the Casey rads instructed for D. C. Edwards, of London, for Congress to succeed the late Vincent Boreing. The republicans were as thick in Liberty Thursday as hairs on a dog's back, and factional politics was at white heat—each side being determined. The late Giboney followers were a unit for Hunter, while the majority of the Wesley supporters were for Edwards—hence the old fight over, which resulted in a majority of over 100 for the gentleman from Laurel.

IN NEIGHBORING COUNTIES.

It is likely that Bryantsville will have a bank.

G. A. Swinebroad delivered to Walker & Saunders 115 300-pound hogs at 6½c.

John Steele Carpenter, of the West End, has lost by death from cholera 125 hogs.

Miss Minnie Spratt, daughter of Bertram Spratt, died at Paint Lick of consumption.

W. G. Cowan, of the West End, bought in the last few days a lot of hogs at 4½c.

Capt. W. E. Bell, a gallant Confederate veteran and prominent citizen, died at Lawrenceburg.

Resolutions Of Respect.

At a call meeting of Waynesburg Tent No. 55 of K. O. T. M., Waynesburg, Ky., a committee was appointed to prepare resolutions upon the death of Sir Knight S. P. Gooch, who was so suddenly taken from our midst to the realms beyond by the Commander on High Oct. 8, 1903. As the stars were fading away at the approach of the great luminary which fills the day with effulgent glory, the soul of Sir Knight Samuel P. Gooch took its flight. And may we not indulge the hope to that eternal day that knows no ending and which was greeting with the words: "Well done though good and faithful servant."

1. By his death our tent has lost one of its best members, the wife a kind and affectionate companion, his aged father a faithful son, his brothers and sisters a christian brother.

2. That our tent has not only lost a worthy sir knight, but the community at large has lost the association of a citizen whose life has been one of exemplary piety.

3. That we, sir knights, should try to imitate the life of our deceased brother.

4. That we tender our sympathy to the bereaved family in their great loss and direct them to God, who doeth all things well.

5. That a copy of these resolutions be spread on the minute book, a copy be furnished the INTERIOR JOURNAL for publication and a copy be furnished the family of the deceased.

G. T. Gooch, Jr., W. R. Singleton, J. M. Reynolds, committee.

POLITICAL.

Alaska has chosen two delegates to the Republican National Convention.

The Alaskan Boundary Commission has verbally agreed to grant all the American contentions except for the Portland canal, which goes to Canada. The formal agreement was rendered yesterday.

Secretary of State Hill has written to clerks of Bath, Montgomery, Meade and Rowan counties to ignore the petition of Tom Roe who sought by this means to have his name placed on the poll book as candidate for circuit judge in opposition to Allie W. Young. This makes it impossible for Young to have opposition.

At the lowest estimate, 4,000 people turned out to hear Gov. Beckham and Congressman Swager Sherley at Marlinton, Crittenden county. The governor and party were met at the depot by 2,500 persons and escorted to the home of Congressman Ollie James, where they were entertained. The speaking was held in the court house yard from a platform. The schools were dismissed and 400 children paid their respects to the governor.

That a great majority of all deaths occur between 1 and 8 o'clock A. M., was shown by the record of 5,000 cases presented in the British Medical Association by Dr. Haviland. Forty per cent. more deaths occur in the fifth hour of the morning than in the 10th.

WONDERFUL COW.—Mr. Bedell Chancellor has a wonderful cow. She gives two gallons of rich milk each morning and evening and the peculiar part about her is that after milking a little out of each teat the milk flows freely on its own accord. If you don't believe this call at Mr. Chancellor's and he will show you that our statement is correct in every particular.

THE republicans have begun their nightly seances and every colored school house in the county is used for the speakers of that faith to tell what they know about saving the country. As night approaches the larger and lesser lights in the oratorical world can be seen leaving town for their nightly appointments. Are the democrats doing anything? If they are, they are doing their work mighty sly, if they are not it is high time they were getting a move on themselves. Lincoln is a democratic county and it is worse than folly to permit it again to go in the republican column. A long pull, a strong pull and all pull together is what is needed this time and if it is made, Messrs. P. M. McRoberts, W. Lawson Sumrall, A. W. Carpenter and the republican State ticket will be sent to the rear as far as Lincoln county is concerned, and then asked to sit down for good and all.

A LARGE crowd gathered at Hustonville Saturday afternoon to hear the distinguished Judge James H. Mulligan, of Lexington, and others and right well were they repaid for the trouble of coming. Judge Mulligan's speech was a most able effort from beginning to end, but the wind-up, when he challenged the comparison of Caleb Powers to Robert Emmet, was eloquent and almost sublime. Of Irish parentage, Judge Mulligan holds too high a regard for the martyred Emmet to permit a comparison between him and a thrice convicted assassin to go unchallenged. After being introduced by Hon. M. F. North, the Judge discussed at length the tariff and other important issues and made it so plain that it was to Kentucky's interest to go democratic this year and next that the most partisan republican who heard him would have admitted the truthfulness of his statements, had he the courage and honesty. "I am not panicky," said the Judge, "but I come to tell you that Gov. Beckham's election is no foregone conclusion. I believe he will win, and if he does, it will be because our democrats work unceasingly from now until the close of the polls. Over confidence has lost many a battle—don't let us lose this one from that cause. As Kentucky goes this year, so she will go next, and as she goes next year, so she will go forever. In the name of God let no such calamity befall us." Space prevents our giving a more extended mention of his excellent talk of two hours and we are sorry indeed that every man, woman and child in the county did not hear it. His references to "Snowball" Bolknap were exceedingly amusing and his Irish wit flowed freely all through his speech. Hon. W. C. Bell followed Judge Mulligan in a well-timed talk and Hon. R. C. Warren and Harvey Helm were to speak; but the lateness of the hour prevented. "It is about milking time," said Mr. Helm, when his turn came, "and I don't want the fault of keeking you all here and making your wives perform that unpleasant duty fall on my shoulders." A number of ladies honored the speakers with their presence.

STANFORD may not have the biggest Negro in the State but we'll wager she has one who wears the biggest breeches. Green Baughman has a new pair of pants that consumed 4 1/2 yards of jeans in the making of them.

NOTICE.—All claims against the City of Stanford must be filed each month three days before each regular meeting of the city council with the Finance Committee composed of M. D. Elmore and Cleora Reynolds. L. R. Hughes, city clerk.

THE Waynesburg Tent of Maccabees has received within the last 30 days, 50 new members and has fine prospects of from 25 to 50 more during the next 30 days. The members are doing the work themselves and are expecting to be up towards the first of the "Big Ten" of the State by Jan. 1.

THANKSGIVING CONTEST.—E. H. Beazley is making preparations for the Second Annual Contest in vocal music, which will be held at Walton's Opera House on Thanksgiving evening. \$30 in gold will be given the best quartette, male, female or mixed, and \$15 for the best duet by young ladies.

SEVERANCE.—Mrs. Martha Severance, widow of Mr. Jos. Severance and one of the best women in this section, died at 9 o'clock last night after a protracted illness of a complication of troubles. The burial will occur in Buffalo cemetery at 10 o'clock to-morrow morning. There will be services at the grave. Extended notice next issue.

GOOD SHOW.—Prof. J. Walter Wilson's illustrated recital at Walton's Opera House last night was a thoroughly enjoyable, interesting and instructive entertainment and it will be even better to-night. You'll miss a treat if you miss to-night's program of moving pictures, poems and song. Performance begins at 7.45. Admission, 10 and 20c.

THE announcement of Miss Kate Bogle, of Hustonville, for school superintendent, subject to the action of the democratic party, appears elsewhere in this issue and her friends all over the county will be glad to know that she has fully decided to make the race for the office she is so thoroughly qualified to fill. Miss B. comes from a strong democratic family, is herself a sterling democrat (and would stamp under the rooster Nov. 3rd if she could) and is one of the most successful teachers in the county. Her friends are sanguine of her winning the nomination and they will leave nothing undone to prevent her from securing it.

DEMOCRATIC SPEAKING.—Following is the list of appointments for democratic speakers in the county: Hons. Richard W. Miller and H. Helm at Moreland, Thursday, Oct. 22, 7 P. M. Hons. W. C. Bell, R. C. MATRIMONIAL.

Wm. Adams and Miss Louvada Saunders were made one Saturday.

James Tinsley and Miss Halla Lena Preston, both of Boyle, secured marriage license here last week.

Miss Ruth Harvey, of Somerset, was married in Cincinnati last week to Dr. H. L. Faucher, of Bridgeport, Ala.

E. O. Gooch, aged 22, and Miss Katie Lee Wilson, sweet 16, were married Saturday by Supt. Garland Singleton.

A triple wedding took place in the parlors of Rev. J. A. Booth, at Taylorsville, in which all the brides were close relatives and bore the same surname. George A. Henry and Miss Lillie Wakefield, Phil A. Henry and Miss Elvira Wakefield and Ernest Snider and Miss Garnetta Wakefield, were married by the same ceremony.

The settlement figure in the Mae C. Wood case, involving an alleged breach of promise on the part of Senator Platt to marry, is reported to have been \$15,000. The negotiations were conducted by a former representative of Congress from New York. The bride-to-be kept well in touch with what was going on. Miss Wood is also permitted to retain her place in the Washington postoffice department.

A bridal party composed of Mr. and Mrs. C. R. Carson, Misses Lucy Carson, Minnie McWhite, Cleo Thomas, and Wm. True, of Liberty, Casey county, has been spending the past two days at the Reed Hotel. The groom is one of the most popular young business men of his city and the bride one of its most accomplished daughters. The young couple found Lexington the most crowded city they ever visited, so much so that the bridal chamber of the hostelry could not be secured, and the bride was forced to spend their visit with the ladies of the party, while the groom shared apartments with his gentlemen friends.—Lex. Democrat.

ELECTION NOTICE!

Regular term Lincoln County Fiscal Court held April 7, 1903. Hon. James P. Bailey, presiding, with the following justices of the peace, to-wit: J. A. Duddar, C. A. Smith, F. R. Compton and W. D. Wallin.

Whereas, at the February term 1903, of the Lincoln County Court, the grand jury impaneled for said court, condemned and declared the present court house building insufficient for the purposes for which it was intended and unsafe for occupancy and directed that such action be taken as necessary to remedy the defects and avoid the danger complained of in said report of said grand jury, and whereas said report of said grand jury has been presented to this court for consideration and the same having been considered, now, therefore the whole court sitting, it is considered by the court that the public convenience and safety and the preservation of the public records require that the present unsafe and inadequate court house be removed and a new one erected on the present court house lot, and it is so ordered.

An appropriation of \$10,000 for this purpose is hereby ordered, subject to the approval of the legal voters of Lincoln county to be ascertained as hereinafter directed and as required by law: For the purpose of providing funds thus appropriated for the object as aforesaid, it is further ordered that 40 one thousand-dollar bonds of the county of Lincoln be prepared as the law directs, executed, sold and issued payable to bearer at the Lincoln County National Bank of Stanford, Kentucky; that said bonds be divided into four series of \$10,000 each, designated series: "A," "B," "C" and "D" respectively. Series "A" to mature in five years and payable at the option of the court after three years. Series "B" to mature in eight years, payable at the option of the court after five years. Series "C" to mature in 10 years, payable at the option of the court after eight years. Series "D" to mature in 14 years, payable at the option of the court after 12 years. All of said bonds shall bear interest from the date of said bonds at the rate of 3 per cent per annum, payable semi-annually at the Lincoln County National Bank of Stanford, Kentucky; said bonds shall have interest coupons attached to each bond, which coupon shall be signed by the county clerk, only, and shall keep a list of all said bonds, showing the numbers, dates, amount, time due, to whom delivered, which shall be carefully preserved in his office and none of said bonds shall be sold at less than their par value. Said bonds shall be signed by the presiding judge of the county court and countersigned by the county clerk of the county. It is further ordered by this court that before the bonds above mentioned shall be issued the proposition to issue same shall be submitted to the voters of Lincoln county and an election shall be held and a poll shall be opened at each of the several precincts in Lincoln county at the regular election to be held in November 1903, which said election does not occur within 60 days from the date of this order, at which said regular election November 1903, the appropriation suggested by this court as directed above, shall be submitted to the legal voters of the county for their approval or rejection and M. S. Baughman, sheriff of Lincoln county, is hereby directed to advertise said election and the object thereof for at least 30 days next before the day thereof by printed hand bills posted up at three of the most public places in each precinct, and at the county seat. Said election shall be held by and conducted by the officers of said regular election in November 1903, in each precinct of said county and during the hours required to hold elections for county officers and said election shall be held and conducted in all respects under the general election laws obtaining to this Commonwealth at the time said election is held. Whereas at this court at its regular April term held April 7, 1903, entered an order which is recorded in order book No. 2, pages 178 to 180 inclusive, of the orders of said court directing bonds to be sold for the purpose of building a new court house and that an election be held on said proposition and whereas said order directs that said bonds bear interest at the rate of 3 per cent, per annum, payable semi-annually. Now, therefore, it is ordered that so much of said order as directs that said bonds bear 3 per cent, per annum interest be set aside, cancelled and held for naught and that said bonds be issued to bear 4 per cent, payable semi-annually and as otherwise directed in said order entered as above stated. It is further ordered that this order be published in the INTERIOR JOURNAL, a newspaper published in the city of Stanford, Ky.
